*This number represents the amount of money we have put aside for 2016-2017 taxes. Since we are currently not a non-profit 501c3 entity, we will be taxed as a sole proprietor individual. In the future, we will be seeking 501c3 tax status. Any and all funds remaining after we go through taxes on April 15, will go into the newly established BRUJAS Legal Fund. Stay tune for updates!
